Haska E., Petto A., Haska E., Kallco I., Haska E.,: - participation and presented “Mountain ecosystems of Albanian Alps and their sustainable future management approach” International 18th Austrian Botanical Conference and 24th Internatuonal Symposium on Biodiversity and Evolutionary Biology of German Botanical Society held 19-22 September 2018, Klagenfurt, Austria. Abstract Book, page 33.**ISBN....Klagenfurt 2018, Austri .**

71. Haska E., Petto A., Haska E., & Kallco I.: - participation and presented “Some important aspects on ecological forest harvesting operations and conservation of biodiversity” - International 18th Austrian Botanical Conference and 24th International Symposium on Biodiversity and Evolutionary Biology of German Botanical Society held 19-22 September 2018, Klagenfurt, Austria. Abstract Book, page 34 . ISBN...Klagenfurt 2018, Austria.

72. Haska H., - participation in international Albanian Conference on Biology and Environment held 28 - 30 September 2018, Prishtine, Kosova.

73. Haska E., İnanç TAŞ., Burhan GENCAL., Mehmet KALKAN., S. Ahmet KAVAKLI., Abdullah E. AKAY., - participation and presented “Edge Effects of Forest Roads on Shrub Species that produce Edible fruits : A case study from Bursa, Turkey” – 4th International Non-Wood Forest Products Symposium, held 4-6 October 2018 Bursa TURKEY.

74. Haska E., participation and presented as invited external/collaborator in the Workshop titled : “Contemporary methodology used for compilation an Applicative Project in Forest accessibility and Forest Roads”, Bursa Technical University, Faculty of Forestry, held 4 October 2018 Bursa, TURKEY.

75. Haska H., Haska E., - participation and presented “Some aspects on maintenance/land use around the trees in urban areas, an overview of Pogradec city, Albania”- World Forum on Urban Forests, held 27/11- 1/12 , Manova, Italy 2018, . Abstract Book; page 158, Mantova 2018, Italy.

76. Haska H., Haska E., - participation and presented “Specific requirements for green areas, what type of trees should we use in cities with long winters - a specific case study in Korca city-the “small Paris” of Albania.”- World Forum on Urban Forests, held 27/11- 1/12, Manova, Italy 2018,. Abstract Book; page 211, Mantova 2018, Italy .

77. Haska Hajri., : participation and presented “Post harvesting evaluation - an ecological-environmental assessment of forest harvested areas, a case study of forest ecosystems in the Gramshi region, Albania”, - 2nd International Symposium of Forest Engineering and Technologies (FETEC 2019): “Human and Nature Oriented Forest Engineering”, held 4-6 September 2019, Agricultural University of Tirana, Faculty of Forestry sciences, co-organizers IUFRO Division 3.01.00 and FETEC Platform, Abstract Book page 29. PROCEEDINGS, in press . Tirana, Albania.

78. Hajri HASKA, Kliti STARJA, Vasillaq MINE, Vath TABAKU, Arben PETTO, Barjam KULLOLLI : participation and presented “Harvesting systems application and natural regeneration – an overview in the beech ecosystem forests, Albania, - 2nd International Symposium of Forest Engineering and Technologies (FETEC 2019): “Human and Nature Oriented Forest Engineering”, held 4-6 September 2019, Agricultural University of Tirana, Faculty of Forestry sciences, co-organizers IUFRO Division 3.01.00 and FETEC Platform, Abstract Book page 14. PROCEEDINGS, in press . Tirana, Albania.

79.Arben PETTO, Erzen BULICA, Dorian GJINI, Hajri HASKA.,: participation and presented “Accessibility of forest Protected Area by cable way/cable car - a contemporary and environmental manner: a case study of Dajti National Park, Albania”- , **2nd International Symposium of Forest Engineering and Technologies (FETEC 2019): “Human and Nature Oriented Forest Engineering”**, held 4-6 September 2019, Agricultural University of Tirana, Faculty of Foreswtry sciences, co-organizers IUFRO Division 3.01.00 and FETEC Platform, Abstract Book page 25. PROCEEDINGS, in press . Tirana, Albania.

80.Eneida HASKA, Ardita GUSHO, Kostandina KUMI, Eva GASHI, Gerd MUSTAFARAJ, Hajri HASKA : participation and presented “Urban Green areas Design, using contemporary Architecture Software – a case study from Mangalem 21 project, Tirana, Albania”, - **2nd International Symposium of Forest Engineering and Technologies (FETEC 2019): “Human and Nature Oriented Forest Engineering”**, held 4-6 September 2019, Agricultural University of Tirana, Faculty of Foreswtry sciences, co-organizers IUFRO Division 3.01.00 and FETEC Platform, Abstract Book page 6. PROCEEDINGS, in press . Tirana, Albania.

81. Haska H., - participation and presented: **“Biodiversity in forests/vegetation ecosystems - aspects of its evolution and changes, challenges of the future”**, Scientific Open Forum “Theory of evolution in the light of the 21st century”, in the context of the 160th anniversary of the formulation of Theory of Evolution (160th anniversary of the publication of Darwin's work - "On the Origin of Species", organized from Academy of Sciences of Albania, 19 November 2029, Tirana, Albania.

82. Haska H., - participation at Scientific Sesion: Academic.Prof.Dr. Salvatore Bushati , - “A life in research in the fields of geophysics”, organized from Academy of Sciences of Albania, 3.12.2019, Tirana, Albania.

83. Haska H., - participation at scientific acitivity, - on the establishment of the “Interim Research Unit in Biotechnology and Genetics”, organized from Academy of Sciences of Albania, 28.02.2020, Tirana, Albania.

84. Haska H., - participation and presented: “Model Forest in Albania: Lesson Learned from Past Experiences. Wich benefits and possible strategies for further steps?”, - **scientific international mettings : ACAP- Azione Comunitaria per la conservazione delle Aree Protette dell’Albania - MEETS MEDITERRANEAN MODEL FOREST**, organized by COSV with others collaborators, 4 May 2021, Albania.

Studime/Kerkime/Projekte

1. Study on the Economic Effectiveness on the Kukur-Rovje of Forest Road for wood timber transportation, in collaboration with the Bureau of Studies and Designs for the Wood Processing Industry, 1984-1985.
Forest Harvessting Enterprise, (FHE) Gramsh

2. Study, design and installation of the "Wysen" type cable car in the sector of Lukovë, **(FHE) Gramsh** 1987

3. Study, design and installation of the "Wysen" type cable car in the sector of Gribë, **(FHE) Gramsh** 1988-1989(960 ml long)

4. Study on the Economic Effectiveness on the Kokel-Liqeni i Dushkut of Forest Road for wood timber transportation, in collaboration with the Bureau of Studies and Designs for the Wood Processing Industry, **(FHE) Gramsh** 1984-1985.

5. Study, design and installation of the "TVA-1000" type cable car for transportation of fire wood, in the sector of Dufshan, **(FHE) Gramsh** 1987

6. Study and design of "TVA-1000" type cable car Liqeni i zi-Bicaj for transportation of agricultural productions, **(FHE) Gramsh** 1988

7. Study on forest harvesting perspective in the Gramshit region (co-author), **(FHE) Gramsh** 1987.

8. "Study, design and implementation of works in terrain for the construction of forest roads in different forest unit economy in the sector of Rovje, Gribë, Liqeni i Dushkut, Prrenjas-Katërlis, etj" (co-author) 1985-1991.

9. Drafting/compilation of technological harvesting projects for forest unit economy for the years 1984-1992 as well as various forest rehabilitation and forestry projects for the Forest Harvesting Enterprise.

10. Drafting/compilation project for forest thinning works in forest unit economy Prrenjas-Katërlis, 1991

11. "Study on forest road needs to improve the accessibility and opportunity for intervention in un-harvested forests" (co-author), Funded by M. of Agriculture and Food, FPRI, 1997-1999.

12. Coordinator of the research project "Determination of intensity, period and the most appropriate type of thinning in new forests of beech and pines", Funded by MOP, FPRI, from 1998

13. Coordinator of the research project "Implementation of harvesting system and internal transport systems based on the naturalistic silviculture requirements", Funded by the Albanian Forestry Project, by the World Bank. FPRI, 1998 -2001

14. Coordinator of the research project: "Spreading Optimum road infrastructure for harvesting of wood material and service with silvotechnical works", including rehabilitation in forests through forestation etc. Financed by the Albanian Forestry Project, from the World Bank. 1999-2001

15. Project Team Leader for the research project "Monitoring and Evaluation of Forest Interventions. (harvesting works, planting works, forest rehabilitation, maintenance works, implementation of management plans, forestry infrastructure implementation), funded by the Ministry of Agriculture and Food.

16. "Preparation of comparative maps of vegetation in different time periods for Shkumbini and Vjosa watersheds "(co-author), Funded by the Watershed Water Assessment Project (USAID), Tirana, 2000.

17. Drafting/Compilation of many of the above studies such as: Research Projects according to the Model of Committee of the Science and Technology, various different methods.... FPRI 1998-2011,

18. Drafting/compilation **Annual scientific reports for many different projects from 1997 to 2011, FPRI**

19. Environmental Impact Assessment on Management Plan for Forestry Economy Unit "Dushku i Bulçarit", Gramsh, 2001.; "Bishnicë", Pogradec, 2001; "Lumbardhë" Puke, 2001; "Balgaj", Mat, 2001; "Liqeni i zi", Bulqizë, 2001; "Orgockë", Kolonjë, 2001; "Lubonjë", 2001.; "Stravaj", Librazhd, 2001; "Holtë -Lukovë", Gramsh, 2001; "Dardhë - Qibik", Pukë, 2001; "Sheshet", Bulqizë, 2001.

20. **Co-coordinator of the international project titled "On forest conflicts and disagreements in forests in SEE region",** founded by FOPER project, from the Foreign Ministry of Finland, and developed from European Forest Institute, **2004-2007**

21. Collaborator in the scientific group for the project "Atlas of Geothermal Energy in Albania"- within the framework of the National Research and Development Program, Natural Heritage, 2004-2005.

23. Co-coordinator in the project “Potential Evaluation, Biodiversity Identification in Molecular level, “in Vivo” and “in Vitro” multiplication with the aim of cultivating selected kimiotypes of some aromatic-medicinal herbs in poor terrains of our country” - 2004-2006 - realized by the Academy of Sciences of Albania, Institute of Biological Research - Tirana
24. Leader of the team of the Forestry and Pasture Research Institute regarding the management of the Experimental Bases in Ferras -Fier, Cangonj-Devoll, Dardhe-Korce etc. Preparation and implementation of nurseries with the most different species of trees, implementation of forestation with schemes and different kinds. From 2002-2008
25. Leader of the Project and field implementation for the development of **Solar greenhouses** as well as the realization of a repository near this building built in the FPRI, with various types of decorative and forestry trees to be used in urban parks, in residential areas but also and eroded terrains.
26. Coordinator of the project “Increasing community incomes through sustainable management of second non-wood forest products”; funded by Ministry of Saince and education, biotechnology projects, 2004-2006.
27. Coordinator of the project “Monitoring of some endangered wood species” funded by the Ministry of Environment; in the context of environmental monitoring in Albania, 2004- 2011.
28. Coordinator of the project “Monitoring the diversity of forest ecosystems and habitats”, funded by the Ministry of Environment, in the context of environmental monitoring in Albania, 2004-2011.
29. Coordinator of the project “Monitoring of the health of the forests through the phenomenon of the decolorize, the fall of the needles and the leaves, pests, diseases and other factors affecting the phytosanitary situation in the forests in Albania”, funded by the Ministry of Environment; in the context of environmental monitoring in Albania, 2004-2011
30. Coordinator of the international project “ENERWOOD”, “Renewable Energy and Forestry Heritage Management”, 2004 -2006, in collaboration with REGIONE ABRUZO, Italy.
31. Focal Points for the project “FOREST POLICY AND ECONOMICS - EDUCATION AND RESEARCH” from 2004-2012 years, in cooperation with EUROPIAN FOREST INSTITUTE, Finland
32. Coordinator of the International Project “Selection and Evaluation of Silvopastoral Systems providing animal feed and Environmental Protection”” from 2005-2009, in co-operation with the National Research Foundation of Agriculture, Forest Research Institute, Thesaloniky, Ecological Field Laboratory, Greece.
33. Collaborator in the framework of the project “Strengthening the Environmental Monitoring System in Albania” - funded by the EU, 2005.
34. Coordinator in the farm research project: “Rational cultivation and utilization of Cajit of the Mountain Tea, Oregano, and Basil in the Prespa area, for a sustainable management of biodiversity and increase of local population incomes” 2004-2016.
35. Coordinator of the farm research project: “Evaluation of the poor lands of the area of Dradha village – Korça region, through the cultivation of Mounatain tee (Sideritis Roeseri)”– 2005-2006.
36. Coordinator of the project on monitoring some elements of protected forest areas in Albania, 2006-2008
37. Co-ordinator in the Project for monitoring some Aromatic-Medicinal Plants, 2006-2011
38. Co-ordinator on the Monitoring Project and the situation of the **Mountain Partridge** in the districts Përmet, Gramsh, Korça, Kolonjë 2006-2011

39. Collaborator with the team from the Swiss Federal Research Institute of WSL, Birmensdorf, Switzerland, in the field study work on study on climate change and dendrochronology; field works in the districts of Malesi e Madhe, Shkodër, Mat, Korçë; year 2007.

40. Co-coordinator in the international project: “Conflicts between Forest Owners and Users in ALBANIA, with a CASE STUDY in KORCA DISTRICT”, funded by the Finnish government under the FOPER Project; 2007-2009.

41. Member of the staff in international project: “Forest related conflicts in the SEE region”, funded by the Finnish government under the FOPER Project; 2008-2009.

9.Haska H.-Participation and Lecture developed with students at the International Master's Program in Forest Policy and Economics, under the framework of module “Environmental policy and governance”, developed in the period 30.5.20011- 7.6.2011, Lesson I : “From Sustainable Forest Management to Ecosystem governance, from sustainable forest management - to ecosystems management (Integrate ecosystem management) H.Haska, Belgrade, Serbia, academic year 2010-2011

10. Haska H.-Participation and Lecture developed with students at the International Master's Program in Forest Policy and Economics, under the framework of module “Environmental policy and governance”, developed in the period 30.5.20011- 7.6.2011, Lesson II: “Environmental POLICY in Albania in different last decades.” H.Haska, Belgrade, Serbia, academic year 2010-2011

11. Haska H.- prepared lessons, planification to developed with students at the International Master's Program in Forest Policy and Economics, under the framework of module : “Small- scale forestry and joint forest management”, that will be held in period 26.9.2011- 1.10.2011. Lesson I : “Private forests in Albania–development, organization etc. (H.Haska)”, (For objective reasons we can not present ourselves) Belgrade, Serbia, academic year 2010-2011

12. Haska H.- prepared lessons, planification to developed with students at the International Master's Program in Forest Policy and Economics, under the framework of module : “Small- scale forestry and joint forest management”, that will be held in period 26.9.2011- 1.10.2011. Lesson II: “Communal forestry -a specific case in Albania and their management etc. (H.Haska)”, (For objective reasons we can not present ourselves) Belgrade, Serbia, academic year 2010-2011

13. Haska H.- prepared lessons, planification to developed with students at the International Master's Program in Forest Policy and Economics, under the framework of module : “Renewable energy and utilization of forest biomass”, that will be held in period 17.10.2011- 22.10.2011. (H.Haska)”, (For objective reasons we can not present ourselves) Belgrade, Serbia, academic year 2010-2011

14.Haska H. - Program Design and Lectures developed at the Faculty of Mining and Geology, Polytechnic University of Tirana, at MSc Geo-environment, for Natural Ecosystems, in module: "VEGETATIONL ECO-SYSTEMS AND GEO-ENVIRONMENT"

15. Haska H. - prepared and developed Lessons with Postgraduate persons on the Environment, MODULE “Forest-Environment-Community-Environmental Impact Assessment of Forest Interventions”, funded by the EKO Program, Albania 2001-2002.

16. Haska H. – Main lecturer in the three Day Training Course for each district “Environment and Environmental Impact Assessment in Forestry Activities”, with specialists from forest services, developed in three districts of the country - Pogradec, Gjirokastra and Shkodra, October - December 2002.

17. Haska H. – Primary lecturer in the training course organized by the CORTZO association operating in Gramsh, “On non-wood forest products - potential opportunities for their evaluation and the role of women in the sector”, Gramsh, October 2002.

18.- Haska H. – cycle Lessons held in the postgraduate course on Tourism, lecturer for module “Mountain Tourism & Its development opportunities in Albania”, financed by EKO, Albania 2003

19. Haska H. – cycle Lessons held in the postgraduate persons - in the framework of FORMEZ training,

on “Protect Area” with participants from all Albania; September 2004 (Lecture in lessons : “Correlations between Tourism and Forest Protected Areas”).

20.- Angazhimi si pedagog i jashtëm në mjaft udhëheqje diplomash për studente, si anëtar i disa komisioneve për marrjen e titujve të gradave master dhe doktoratura në Fakultetin e Shkencave Pyjore.

21.- Bashkëpunëtor në përgatitjen e materialit për projektin FOREST POLICY AND ECONOMICS EDUCATION AND RESEARCH (FOPER): Current and Future Training Needs for Competencies in Forest Policy and Forest Economics in Albania, Bosnia and Herzegovina, Croatia, Former Yugoslav Republic of Macedonia, Serbia and Montenegro. August Viena 2005. (24 faqe anglisht)

22.- Bashkëpunëtor në përgatitjen e materialit për projektin FOPER: “Professional Training in Forest Policy and Economics in the Western Balkan Region. Training Program Concept and Course Catalogue. Shtator 2006 (33 faqe anglisht)

20.- Engagement as an external lecturer in many degree student degrees, as a member of several commissions for obtaining titles and degree degrees and PhD degrees at the Faculty of Forestry Sciences.

21.- Associate in the preparation of the material for the FOREST POLICY AND ECONOMICS EDUCATION AND RESEARCH (FOPER) project: Current and Future Training Needs for Competencies in Forest Policy and Forest Economics in Albania, Bosnia and Herzegovina, Croatia, Former Yugoslavia Republic of Macedonia, Serbia and Montenegro. August Viena 2005. (24 pages)

22.- Associate in the preparation of the material for the FOPER project: "Professional Training in Forest Policy and Economics in the Western Balkans Region. Training Program Concept and Course Catalogue. September 2006 (33 pages)
