

MSc. Denada Dervishi

Asistent Lektore, në fushën e Drithërave dhe Bishtajoreve

Departmenti Shkencave Bujqësore dhe Siguri Ushqimore

Fakulteti i Bujqësisë dhe Mjedisit

Universiteti Bujqësor i Tiranës

Tel: +355692848464

E- mail: ddervishi@ubt.edu.al

Karriera / Arsimi

2023 - Vazhdimësi Asistent Lektore

2020 – 2022 Master në shkencat Agronomike

2017 – 2020 Diplomë Bachelor në Inxhinieri Agrare

Fokusi i Kërkimit Shkencor

Drithërat, Bishtajoret, Bimët Foragjere.

Fokusi në Mësimdhënie

Drithërat, Bishtajoret, Bimët Foragjere.

Publikime.

1. Dervishi, D., Gorezi, E., Prebibaj, M., Bardhi, N., Saliji, A., & Idrizi, H. (2024). **The study of maize hybrids (*Zea mays* species L.) in Dimal municipality, Berat.** JASRD Journal of Agriculture and Sustainable Rural Development, 2(3-4), 51-60.
2. Prebibaj, M., Dervishi, D., Bardhi, N., Saliji, V., Saliji, A., & Gjeka, X. (2024). **Evaluation of morphobiological and productive indicators of potato cultivars (*Solanum tuberosum* L.) in the area of Myzeqe, Lushnje.** JASRD Journal of Agriculture and Sustainable Rural Development, 2(3-4), 90-97.
3. Prebibaj, M., Metaj, M., Dervishi, D., Bardhi, N., Saliji, V., & Saliji, A. (2024). **Evaluation of morphobiological indicators and production of sweet potato (*Ipomoea batatas* *poir*) in the region of Myzeqe, Lushnje.** JASRD Journal of Agriculture and Sustainable Rural Development, 2(3-4), 98-105.
4. Prebibaj, M., Sema, X., Reshiti, A., Dervishi, D., Saliji, V., & Bardhi, N. (2024). **Evaluation of the morphobiological and productive indicators of chayote (*Sechium edule* L.) in the**

region of Myzeqe, Libofshë, Fier. JASRD Journal of Agriculture and Sustainable Rural Development, 2(3- 4), 106-111.
